### WORK EXPERIENCE

**SOFTWARE DEVELOPER – FLORAWISE** – 31/03/2025 – Current – ISTANBUL, TURKEY

- Developed and maintained web and mobile applications using React and React Native
- Managed iOS and Android build processes and handled App Store & Google Play Store release workflows
- Designed and maintained a monorepo architecture with environment-based configurations to run multiple applications
- Built and maintained clean and scalable project structures, following a well-organized src folder architecture.
- Integrated applications with RESTful APIs, handling HTTP methods, response headers, and pagination
- Applied middleware concepts to manage request/response flows and application logic
- Performed API monitoring and testing using Postman
- Implemented monitoring-related features and supported testing processes to improve application stability
- Participated in code review processes and followed best practices and coding standards
- Used Git and GitHub for version control, branching, and collaboration
- Gained hands-on experience with Docker at a basic level for containerizing applications and development environments
- Familiar with CI/CD pipelines at a beginner level, contributing to automated build and deployment processes
- Actively worked within Agile/Scrum teams, participating in sprint planning and delivery cycles

**MOBILE & FRONTEND DEVELOPER INTERN – FLORAWISE** – 30/09/2024 – 30/03/2025 – ISTANBUL, TURKEY

- Developed mobile application features using React Native with TypeScript
- Built reusable and well-structured frontend components
- Defined and used TypeScript interfaces, types, and enums for type safety
- Managed application state using Redux, Zustand, and Context API
- Implemented multilingual support (i18n) for dynamic language switching
- Implemented form validation for user inputs
- Built infinite scroll for list-based data rendering
- Implemented bottom sheet components using refs and hooks
- Integrated mobile screens with REST APIs using Axios
- Handled basic error handling and user feedback with toast messages
- Fixed bugs and performed basic code refactoring
- Collaborated with the team using Git and followed basic branching workflows

**FULL STACK DEVELOPER – PIA BİLİŞİM HİZMETLERİ A.Ş** – 04/09/2024 – 29/09/2024 – İSTANBUL, TURKEY

During my summer internship, I worked at a prominent IT company as a full-stack developer. Throughout the internship, I actively participated in projects involving both front-end and back-end development. I dedicated five days a week, working from eight in the morning until five in the evening. This experience significantly enriched my understanding of the professional work environment, contributing valuable insights to my skill set. I plan to include these details in my CV to showcase my diverse contributions and the skills gained during this period.

### EDUCATION AND TRAINING

2022 İstanbul, Turkey

**COMPUTER PROGRAMMING** Isık University

## ● **HOBBIES AND INTERESTS**

---

### **Social Media Photoshoot**

---

In my hobby photoshoot, I have been actively involved in capturing compelling visual content for Restaurant XYZ's social media platforms. Throughout my time with the restaurant, I have contributed to enhancing their online presence and engaging with a wider audience.

## ● **LANGUAGE SKILLS**

---

Mother tongue(s): **TURKISH**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	B1	B1	B1	B1	B1

*Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user*

## ● **SKILLS**

---

Social Media / Social Network | Flutter Basic Skills | Basic knowledge of Dart Programming Language | React Native | React | React Native Redux | RESTful APIs | Axios | Git | CI/CD (Basic) | Code Refactoring | Monitoring & Error Tracking | State Management | Context API | Frontend Development | Mobile Application Development

## ● **ABOUT ME**

---

### **About Me**

---

Currently as a computer programmer student at Işık University. I am eager to gain practical experience and enrich my knowledge in the field of technology. My academic journey has equipped me with a strong foundation in programming languages, algorithms, and software development methodologies.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills and academic background can contribute to the success of your esteemed company.

## ● **EXCHANGE PROGRAM**

---

06/06/2022 – 15/10/2022

### **Work&Travel**

---

During the summer of last year, I had the valuable opportunity to participate in the Work and Travel program in the United States with the primary goal of improving my English language skills. Throughout this enriching experience, I resided in the U.S. for a period of four months.
